

Link Routes

Starting October 10, 2011 Mason Transit will be modifying the Link Routes. A **Link Route** is used Monday through Friday to provide service during specific periods of times. On Saturday, the Dial-A-Ride service operates based on time and space availability.

The purpose of the **Link Route** is to consolidate multiple Dial-A-Ride trips from the same location. Mason Transit has successfully implemented **Link Route** service in other areas of Mason County thereby increasing transportation options to our more rural residents. This benefits Mason County riders by letting you know when Dial-A-Ride is available in your area on a daily basis, thereby making fewer trips to the same location but carrying more riders. Additionally you'll be able to know that service will be available every day, Monday through Friday, at approximately the same time alleviating any concern if a ride will be available.

You will still need to schedule your trip by calling the Customer Service Center at 360.427.5033 or 1.800.374.3747 a minimum of two (2) hours in advance for same day service or the night before for the morning **Link Route**. You may call up to fourteen days in advance to schedule a ride. Riders are encouraged to call at least 48-hours in advance.

Time periods for Mason Transit's **Link Routes** are approximately:

Harstine Island

Monday – Friday

7:15 a.m. – 8:45 a.m.
12:15 p.m. – 2:15 p.m.
