AGREEMENT

This agreement is dated this ___ day of February, 2008 and is between the Mason County Transportation Authority, hereinafter MTA and the City of Shelton, a Washington City, hereinafter City.

Recitals:

A. MTA is the owner of commercial real property located at 601 West Franklin Street, Shelton, Washington which MTA intends to use as a proposed Shelton Transportation Center.

B. Shelton City Code Section 12.08.030 states: “It shall be the responsibility and duty of the abutting property owner to maintain, repair, and reconstruct sidewalks adjacent thereto (Ord. 1236 § 1 (part), 1988).”

C. MTA is interested in the repair of the curb, sidewalk and parking area in front of the proposed Shelton Transportation and Community Center.

D. The City is currently engaged in repairs to the remaining portion of Franklin Street adjacent and the City is willing and able through existing public works contracts to include the repairs to the curb, sidewalk and parking area consistent with details as outlined on Exhibit “A” attached hereto and incorporated by this reference.

E. MTA is willing and able to reimburse the City of Shelton the costs directly associated with the repairs outlined in Exhibit “A” in an amount not to exceed $42,558.00.

Now, therefore for the mutual consideration set for herein the parties agree as follows:

1. The City of Shelton shall, by and through its contractors, undertake the street improvements set forth on Exhibit “A”.

2. Upon the City’s acceptance of the improvements, MTA shall reimburse the City for the actual costs incurred in making those specific improvements in an amount not to exceed $42,558.00 within thirty days of completion and acceptance.

3. This agreement shall not be deemed a partnership, association or joint venture between the parties. The City and MTA are acting under this agreement as independent contractors and shall indemnify and hold each other, their officers, employees and agents harmless from any claim for injury to person (including death) or property (tangible or intangible, real or personal) which arises out of or in any way connected with the parties performance of the obligations under this agreement.
agreement. This indemnification shall include the obligation to provide all costs of defense of MTA, including attorney's fees or costs.

4. There are no other parties intended to be third party beneficiaries of this agreement.

5. This agreement shall be binding upon the parties' successors and assigns; provided, however, that the agreement may not be assigned or transferred without the written consent of the other party.

6. In the event either party brings an action to enforce this agreement to recover damages for the breach of same, the prevailing party shall be entitled to recover its reasonable attorney's fees and costs. Venue for any such action shall be in Mason County Superior Court.

A RESOLUTION BY THE MASON COUNTY TRANSPORTATION AUTHORITY INCREASING THE PER DIEM COMPENSATION FOR BOARD MEMBERS

WHEREAS, the Board of Directors of the Mason County Transportation Authority (MCTA) invest a substantial commitment of time and energy on behalf of the Agency; and

WHEREAS, Chapter 36.57A.050 of the RCW which authorizes board members to receive compensation, as set by the authority, in an amount not to exceed forty-four dollars for each day during which the member attends official meetings of the authority or performs prescribed duties approved by the chairman of the authority. Except that the authority may, by resolution, increase the payment of per diem compensation to each member from forty-four dollars up to ninety dollars per day or portion of a day for attendance at board meetings and for performance of other services on behalf of the authority. In no event may a member be compensated in any year for more than seventy-five days, except the chairman who may be paid compensation for not more than one hundred days; PROVIDED, that compensation shall not be paid to an elected official or employee of federal, state, or local government who is receiving regular full-time compensation from such government for attending meetings and performing prescribed duties of the authority; and

WHEREAS, the eligible board members have been receiving compensation since November, 1994 in per diem in the amount of $44.00 which has not been adjusted since; and

WHEREAS, it is equitable that eligible Board members receive such compensation for the time and effort they devote to the PTBA’s business;

NOW THEREFORE, BE IT RESOLVED that eligible MCTA Board members per diem be increased to $60.00 an amount allowed by law in accordance with RCW 36.57A.050.

MASON COUNTY TRANSPORTATION AUTHORITY (MASON TRANSIT)
CODE OF ETHICS
Adopted 05/13/08

Mason Transit maintains this written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts supported by Federal or State assistance.

This code provides that Mason Transit’s officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential contractor or subrecipient. Mason Transit’s officers, employees, board members, or agents may accept gifts where the financial interest is not substantial, and the gift is an unsolicited item of nominal intrinsic value. Items with a value of over $50 will not be accepted under any circumstances.

This Code of Ethics prohibits Mason Transit’s officers, employees, board members, or agents from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. As permitted by State or local law or regulations, violation of this code by a Mason Transit officer, employee, board member or agent, or by subcontractors or subrecipients or their agents shall result in penalties, sanctions, or other disciplinary actions, up to and including discharge.

1. Personal Conflict of Interest. This Code of Ethics prohibits Mason Transit’s employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by Federal or State funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm or entity selected for award:
   a. The employee, officer, board member, or agent;
   b. Any member of his or her immediate family;
   c. His or her partner; or
   d. An organization that employs, or is about to employ, any of the above.

2. Organizational Conflict of Interest. Mason Transit has adopted the procedure shown below for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third party contract may, without some restrictions on future activities, result in an unfair competitive advantage to the third party contractor or impair its objectivity in performing the contract work.

3. Identification and Prevention. Upon acceptance of a position with Mason Transit as an employee, officer, board member or agent, it is the responsibility of the individual to immediately disclose any potential, real or apparent conflicts of interest. It is the policy of Mason Transit that all employees, officers, board members, or agents, during the course of their affiliation with Mason Transit, take steps to avoid the appearance of a conflict of interest and report any potential conflict immediately to the General Manager for appropriate action. It is the responsibility of all associated with Mason Transit to report any activity that is suspected to be in violation of the basic principles of this Code of Ethics.

RESOLUTION NO. 2008-15

A RESOLUTION BY THE MASON COUNTY TRANSPORTATION AUTHORITY
REVISING SPECIAL EVENTS SERVICE POLICY RESOLUTION NO. 2000-01 TO
READ AS FOLLOWS:

WHEREAS, the Board of Directors recognizes the public transportation benefit of providing unscheduled special services in support of selected events; and

WHEREAS, the Board of Directors has determined that a policy is desirable to ensure appropriate and consistent designation and implementation of special event services in compliance with the Federal Transit Administration 49 CFR Part 604.

NOW THEREFORE, BE IT RESOLVED by the Mason County Transportation Authority Board of Directors that transportation services for special events may be considered and approved by the General Manager if the following guidelines are met:

A. Charter Service:

1. Charter service means, but does not include demand response service to individuals:

(1) Transportation provided by MTA at the request of a third party for the exclusive use of a bus or van for a negotiated price. The following features may be characteristic of charter service:
   (i) A third party pays MTA a negotiated price for the group;
   (ii) Any fares charged to individual members of the group are collected by a third party;
   (iii) The service is not part of MTA's regularly scheduled service, or is offered for a limited period of time; or
   (iv) A third party determines the origin and destination of the trip as well as scheduling; or

(2) Transportation provided by MTA to the public for events or functions that occur on an irregular basis or for a limited duration and:
   (i) A premium fare is charged that is greater than the usual or customary fixed route fare; or
   (ii) The service is paid for in whole or in part by a third party

2. Charter Services shall only be provided by MTA in compliance with 49 CFR Part 604.

B. Special Event Service:

1. The event must have potential to generate ridership; requesting entity shall provide estimated attendance and must agree to promote the use of transit by including the transportation schedule in all publicity.

2. The event must be of broad civic interest and open to the general public; the event must not be of a political nature.

3. The special event service must provide an opportunity to promote M.T.A. service to potential users.
4. The special event service must address a transportation problem experienced by individuals participating in the event, such as parking limitations, traffic congestion, or for persons with special needs. Where congestion exists, clear access and egress must be provided for MTA vehicles.

5. Special event service shall operate within the boundaries of the Mason County Public Transportation Benefit Area unless otherwise approved by the Board of Directors.

6. Provision of special event service is subject to equipment and staffing availability.
