GCB1625
NOW, THEREFORE, in consideration of the terms, conditions, performances and mutual covenants herein set forth and the attached Exhibit I, “Scope of Work and Budget,” IT IS MUTUALLY AGREED AS FOLLOWS:

Section 1
Purpose of Agreement
The purpose of this AGREEMENT is for WSDOT to provide capital funding to the CONTRACTOR for the acquisition of equipment to be used in the provision of public transportation services that meet the needs of persons in the State of Washington, hereinafter referred to as the “Project.”

Section 2
Scope of Project
The CONTRACTOR shall undertake and complete the purchase of capital equipment as detailed in Exhibit I, “Scope of Work and Budget”, which is by this reference fully incorporated herein as if fully set out in this AGREEMENT, and to operate the Project Equipment within the area described in the caption space header titled “Service Area,” in accordance with the terms and conditions of this AGREEMENT. The caption space header titled “Service Area” and all caption space headers are by this reference incorporated herein as if fully set out in this AGREEMENT.

Section 3
Term of Project
The Project period shall begin on the date shown in the caption space header titled “Term of Project” and shall continue through the useful life of the Project Equipment regardless of the date of signature and execution of this AGREEMENT, unless terminated as provided herein. WSDOT has defined the useful life of vehicle Project Equipment in the Vehicle Disposition Schedule in WSDOT’s Guide to Managing Your Public Transportation Grant, 2011 version, and any amendments thereto, which is by this reference fully incorporated herein as if fully set out in this AGREEMENT. Non-vehicle Project Equipment’s useful life will be determined by using the North American Industry Classification System (NAICS) code tables.

Section 4
Contractor’s Share of Project Costs
The total Project cost shall not exceed the amounts detailed in the caption space header titled “Project Costs.” The CONTRACTOR agrees to expend eligible funds, together with any “Contractor Funds” allocated for the Project in an amount sufficient to complete the Project as detailed in Exhibit I, “Scope of Work and Budget.” The CONTRACTOR further agrees that there shall be no reduction in any amount specified as the Contractor’s Funds unless there is a concurrent proportional reduction in the Federal and/or State Funds, or WSDOT pre-approves the reduction in writing. If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will exceed or be less than the amount identified as “Total Project Cost” in the caption space header titled “Project Costs,” the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination. The CONTRACTOR agrees that “Project Costs” eligible for federal participation, including State Funds and Contractor Funds used as match to other FTA funds, must comply with the standards of OMB Circular A-87, Revised, “Cost Principles for State and Local Governments”, or OMB Circular A-122, Revised, “Cost Principles for Non-Profit Organizations”, or Federal Acquisition Regulation (FAR), 48 CFR Chapter 1, subpart 31.2, “Contracts with Commercial Organizations,” whichever is appropriate.

Section 5
Payment
A. WSDOT, using FTA funds and/or State funds, shall reimburse the CONTRACTOR for allowable expenses incurred in completing the Project described in Exhibit I, “Scope of Work and Budget.” Allowable Project expenses shall be determined by WSDOT as described in WSDOT’s Guide to Managing Your Public Transportation Grant 2011 version, and any amendments thereto. In no event shall the total amount reimbursed by WSDOT exceed the “Federal Funds” or “State Funds” identified in the caption space header titled “Project Costs,” above.

B. Payment will be made by WSDOT on a reimbursable basis. Such costs to be reimbursed shall be calculated as described in WSDOT’s Guide to Managing Your Public Transportation Grant, and any amendments thereto, found at http://www.wsdot.wa.gov/Transit/Grants/Guidebook.htm. The CONTRACTOR shall submit an invoice detailing and supporting the costs incurred. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days of receipt of the invoice. Payment is subject to the submission to and approval by WSDOT of appropriate invoices, reports, and financial summaries. Any financial summaries submitted to WSDOT must include a record of the actual costs.
C. The CONTRACTOR shall submit an invoice by July 15, 2014, for a payment request from State funds for any unreimbursed eligible expenditures incurred between July 1, 2013, and June 30, 2014. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request for payment from State funds submitted will be limited to the amount accrued as set forth in this section. The CONTRACTOR’s final request for payment from “State Funds” must be received by WSDOT by July 15, 2015, within thirty (30) days of the completion of the Project, or within thirty (30) days of the termination of this AGREEMENT, whichever is sooner. Any request for payment from “State Funds” received after July 15, 2015 will not be eligible for reimbursement.

D. For vehicle purchases, the Project Equipment titles shall designate WSDOT as the legal owner and the CONTRACTOR as the registered owner through the project period. WSDOT will release the interest of ownership of the Project Equipment to the CONTRACTOR in writing thirty (30) days from the end of the useful life of the Project Equipment, as defined in Section 3 of this Agreement.

Section 6
Inspection Upon Delivery

The CONTRACTOR shall inspect Project Equipment purchased pursuant to this AGREEMENT at the time of delivery to the CONTRACTOR. Upon receipt and acceptance of Project Equipment, the CONTRACTOR agrees that it has fully inspected the Project Equipment and accepts it as in good condition and repair, and is satisfied with the Project Equipment and that the Project Equipment complies with all regulations, rules, and laws.

Section 7
Miscellaneous Charges and Conditions

The CONTRACTOR shall pay and be solely responsible for all storage charges, parking charges, late fees and fines, as well as any fees (including vehicle registration, license, safety, and emission control inspection fees) and taxes, which may be imposed with respect to said Project Equipment by a duly constituted governmental authority as the result of the CONTRACTOR’s use or intended use of the Project Equipment, except for applicable sales or use tax, which are eligible for reimbursement as a Project cost. Required visual and road test inspection fees conducted by third party subcontractors on vehicles for acceptance and software licensing use fees are also eligible for reimbursement. All replacements, repairs, or substitutions of parts or equipment shall be at the cost and expense of the CONTRACTOR.

Section 8
Assignments, Subcontracts, and Leases

A. Unless otherwise authorized in advance and in writing by WSDOT, the CONTRACTOR will not assign any portion of the Project Equipment under this AGREEMENT or execute any contract, amendment, or change order thereto pertaining to the Project Equipment, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this AGREEMENT, or lease or lend the Project Equipment or any part thereof to be used by anyone not under the CONTRACTOR’s direct supervision.

B. The CONTRACTOR agrees to include sections 9 through 29 and Section 39 of this AGREEMENT in each subcontract financed in whole or in part with federal assistance provided by FTA; and in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT, subject to the limitations set forth in Section 20.E.3 of this AGREEMENT. It is further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in any advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

Statement of Financial Assistance:
“This AGREEMENT is subject to a financial assistance contract between the Washington State Department of Transportation and the Federal Transit Administration and the appropriations of the State of Washington.”

Section 9
Reports and Use of Project Equipment

A. The CONTRACTOR agrees that the Project Equipment shall be used for the provision of transportation service within the area described in the caption space titled “Service Area,” above, for the Project Equipment’s useful life as set forth in Exhibit I, “Scope of Project and Budget.” The CONTRACTOR further agrees that it will not use or
permit the use of the Project Equipment in a negligent manner or in violation of any law, or so as to avoid any insurance covering the same, or permit the Project Equipment to become subject to any lien, charge, or encumbrance. Should the CONTRACTOR unreasonably delay or fail to use the Project Equipment during the useful life of that Project Equipment, the CONTRACTOR agrees that it may be required to refund the entire amount of the “Federal and/or State Funds” expended on the Project. The CONTRACTOR shall immediately notify WSDOT when any Project Equipment is withdrawn from Project use or when Project Equipment is used in a manner substantially different from that identified in the “Scope of Project and Budget.” If the Project Equipment is permanently removed from transportation service, the CONTRACTOR agrees to immediately contact WSDOT for instructions regarding the disposal of the Project Equipment. For vehicle purchases only, the CONTRACTOR further understands that the Project Equipment shall be used to provide passenger service levels as described below:

1. A minimum of 100 passenger, revenue service miles per vehicle per week, or
2. A minimum of 100 one-way passenger trips per vehicle per week.

B. Reports. The CONTRACTOR shall prepare quarterly reports regarding services provided pursuant to this AGREEMENT and other related information as prescribed in WSDOT’s Guide to Managing Your Transportation Grant, and any amendments thereto, or as requested by WSDOT. The CONTRACTOR shall keep satisfactory written records with regard to the use of Project Equipment and shall submit the following reports in a format and at such times as prescribed by WSDOT through the useful life of the Project Equipment:

1. Reports describing the current usage of Project Equipment and other data which WSDOT and the Federal Transit Administration (“FTA”) may request. For vehicle purchases only, those reports include, but are not limited to:
   a) Project Passenger Trips provided
   b) Project Revenue Hours provided
   c) Project Revenue Miles provided
   d) Asset Management Plan
   e) Vehicle or Equipment Inventory.

2. In the event any portion of the Project Equipment sustains disabling damage as defined in WSDOT’s Guide to Managing Your Public Transportation Grant, and any amendments thereto, and/or use of the Project Equipment triggers drug and alcohol testing, the CONTRACTOR shall notify WSDOT immediately after the occasion of the damage, including the circumstances thereof.

3. The CONTRACTOR shall collect and submit to WSDOT, at such time as WSDOT may require, such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by WSDOT and FTA and which may include but are not limited to:
   a) Drug Abuse and Alcohol Abuse Testing compliance reports as required in this AGREEMENT
   b) Goods and services purchased from Disadvantaged Business Enterprises.

C. Program Income. The CONTRACTOR shall comply with Program Income provisions in 49 CFR § 18.25 or 49 CFR § 19.24, whichever is applicable, and prepare a quarterly report of the gross income, as defined in WSDOT’s Guide to Managing Your Public Transportation Grant, and any amendments thereto, received by CONTRACTOR that is directly generated by the Project activity supported by the funding in this AGREEMENT.

D. Remedies for Misuse or Noncompliance. The CONTRACTOR shall not use any Project Equipment in a manner different from that set forth in Exhibit I, “Scope of Project and Budget,” and the “Service Area” identified in the AGREEMENT. If WSDOT determines that Project Equipment has been used in a manner different from that set forth in Exhibit I, “Scope of Project and Budget,” and the “Service Area” identified in the AGREEMENT, WSDOT may direct the CONTRACTOR to dispose of the Project Equipment acquired by the CONTRACTOR in accordance with FTA procedures. WSDOT may also withhold Grant payments should it determine that the CONTRACTOR has failed to comply with any provision of this AGREEMENT. If Federal participation and funding is either reduced or canceled as a result of a breach by the CONTRACTOR, the CONTRACTOR is then liable for all damages from the breach, even though those damages exceed the price payable under this AGREEMENT.

Section 10
Maintenance of Project Equipment

CONTRACTORS who are transit agencies must have a Transit Asset Management Plan (AMP), as required by 49 USC § 5326., certified by WSDOT. All other CONTRACTORS must have a WSDOT-approved written Vehicle Maintenance Plan or submit a written Vehicle Maintenance Plan (VMP) to WSDOT for approval by October 1,
2013, or prior to the receipt of their first grant funded vehicle. The CONTRACTOR shall make all necessary repairs and reasonably maintain the Project Equipment to ensure the Project Equipment is maintained in a state of good repair. All service, materials, and repairs in connection with the use and operation of the Project Equipment shall be at the CONTRACTOR’s expense. The CONTRACTOR shall, at a minimum, service the Project Equipment and replace parts at intervals recommended by the manufacturer, or consistent with the CONTRACTOR’s AMP or VMP, whichever is applicable. The CONTRACTOR shall comply with the Equipment management requirements identified in 49 CFR Part 18.32(d) or 49 CFR Part 19.34(f) whichever is appropriate, the “Common Rule,” which by this reference is incorporated herein to the AGREEMENT; and any reference therein to “grantee” shall mean the CONTRACTOR. The CONTRACTOR shall retain records of all repair, maintenance, and parts replacement performed on the Project Equipment. The CONTRACTOR shall provide copies of such records to WSDOT, upon request.

Section 11
General Compliance Assurance

The CONTRACTOR agrees to give reasonable guarantees that it and its subcontractors, lessees and any third-party contractors under this AGREEMENT, will comply with all requirements imposed by, or pursuant to, 49 USC chapter 53 and other applicable Federal regulations. The CONTRACTOR agrees to comply with the provisions of 49 CFR Part 18 or 49 CFR Part 19 or FAR, 48 CFR Chapter 1, subpart 31 whichever is applicable, and cost principles as defined in OMB circulars A-87 and A-122. The CONTRACTOR agrees to comply with all instructions as prescribed in WSDOT’s Guide to Managing Your Public Transportation Grant, and any amendments thereto. The CONTRACTOR agrees that the United States, any agency thereof, WSDOT and any of WSDOT’s representatives, have not only the right to monitor the compliance of the CONTRACTOR with the provisions of this Assurance, but also have the right to seek judicial enforcement with regard to any matter arising under Federal transit laws and regulations, and this Assurance.

Section 12
Procurement

The CONTRACTOR shall make purchases of any Project Equipment pursuant to this AGREEMENT through procurement procedures approved in advance by WSDOT and consistent with the following provisions:

A. General Procurement Requirements. The CONTRACTOR shall comply with third-party procurement requirements of 49 USC chapter 53 and other applicable Federal laws in effect now or as subsequently enacted; with the United States Department of Transportation (U.S. DOT) third-party procurement regulations of 49 CFR § 18.36 or 49 CFR § 19.40 through 19.48 and other applicable Federal regulations pertaining to third-party procurements and subsequent amendments thereto. The CONTRACTOR shall also comply with the provisions of FTA Circular 4220.1F, “Third Party Contracting Guidance,” November 1, 2008, and any later revision thereto, except to the extent FTA determines otherwise in writing, which by this reference are incorporated herein; and any reference therein to “Grantee” shall mean CONTRACTOR. The CONTRACTOR agrees that it may not use FTA assistance to support its third-party procurements unless there is satisfactory compliance with Federal laws and regulations.

B. Full and Open Competition. In accordance with 49 USC § 5325(a), the CONTRACTOR agrees to conduct all procurement transactions in a manner that provides full and open competition as determined by FTA.

C. Exclusionary or Discriminatory Specifications. Apart from inconsistent requirements imposed by Federal laws or regulations, the CONTRACTOR agrees to comply with the requirements of 49 USC § 5325(h) by not expending or otherwise using any Federal assistance awarded from FTA funds to support a procurement using exclusionary or discriminatory specifications.

D. Method of Acquisition. In compliance with 49 USC§ 5325(f), the CONTRACTOR agrees that any third party contract award made for rolling stock will be based on initial capital costs, or on performance, standardization, life cycle costs, and other factors, or on a competitive procurement process.

E. Preference for United States Products and Services. To the extent applicable, the CONTRACTOR agrees to comply with the following U.S. preference requirements:

GCB1625

3. **Fly America.** The CONTRACTOR understands and agrees that the Federal Government will not participate in the costs of international air transportation of any persons involved in or property acquired for the Project unless that air transportation is provided by U.S.-flag air carriers to the extent service by U.S.-flag air carriers is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974, as amended, 49 USC § 40118, and with U.S. GSA regulations, “Use of United States Flag Air Carriers,” 41 CFR §§ 301-10.131 through 301-10.143.

F. **Bus Testing.** To the extent applicable, the CONTRACTOR agrees to comply with the requirements of 49 USC § 5318(e) as amended by MAP-21, and FTA regulations, “Bus Testing,” 49 C.F.R. Part 665, and any revisions thereto.

G. **Pre-Award and Post-Delivery Requirements.** The CONTRACTOR agrees to comply with the requirements of 49 USC § 5323(m) and FTA regulations, “Pre-Award and Post-Delivery Audits of Rolling Stock Purchases,” 49 CFR Part 663, and any revisions thereto.

H. **Geographic Restrictions.** The CONTRACTOR agrees to not use any state or local geographic preference, except those expressly mandated or encouraged by federal statute or as permitted by FTA.

I. **In-State Bus Dealer Restrictions.** In accordance with 49 USC § 5325(i), the CONTRACTOR agrees that any State law requiring buses to be purchased through in-State dealers will not apply to acquisitions of vehicles financed with Federal assistance authorized under 49 USC Chapter 53. This provision does not preclude States from requiring dealers from satisfying State imposed dealer licensing requirements.

J. **Preference for Recycled Products.** To the extent applicable, The CONTRACTOR agrees to comply with U.S. Environmental Protection Agency (U.S. EPA), “Comprehensive Procurement Guideline for Products Containing Recovered Materials”, 40 CFR Part 247, which implements section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, 42 USC § 6962. Accordingly, the CONTRACTOR agrees to provide a competitive preference for products and services that conserve natural resources, protect the environment, and are energy efficient, except to the extent that the Federal Government determines otherwise in writing.

K. **National Intelligent Transportation Systems Architecture and Standards.** To the extent applicable, the CONTRACTOR agrees to conform to the National Intelligent Transportation Systems (ITS) Architecture and Standards as required by 23 USC § 517(d) and follow the provisions of FTA Notice, “FTA National ITS Architecture Policy on Transit Projects,” 66 Fed. Reg. 1455 et seq., January 8, 2001, and any other implementing directives FTA may issue at a later date, except to the extent FTA determines otherwise in writing.

L. **Government Orders.** In case any lawful government authority shall make any order with respect to the Project or Project Equipment, or any part thereof, or the PARTIES hereto or either PARTY, the CONTRACTOR shall cooperate with WSDOT in carrying out such order and will arrange its operation and business so as to enable WSDOT to comply with the terms of the order.

### Section 13

**Incorporation of Federal Terms**

A. **Purchasing.** This AGREEMENT’s provisions include, in part, certain Standard Terms and Conditions required by FTA, whether or not expressly set forth herein. All contractual provisions required by FTA, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this AGREEMENT. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any WSDOT request, which would cause WSDOT to be in violation of any FTA term or condition.

B. **Federal Changes.** The CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures and directives, whether or not they are referenced in this AGREEMENT and include any amendments promulgated by the FTA, during the term of this AGREEMENT. The CONTRACTOR’s failure to so comply shall constitute a material breach of this AGREEMENT.
Section 14
No Obligation by the Federal Government

A. WSDOT and the CONTRACTOR acknowledge and agree that regardless of any concurrence or approval by the Federal Government of the solicitation or award of this AGREEMENT, the Federal Government is not a party to this AGREEMENT unless it provides its express written consent. The Federal Government shall not be subject to any obligations or liabilities to the CONTRACTOR, subcontractor, lessee, or any other participant at any tier of the project (whether or not a PARTY to this AGREEMENT) pertaining to any matter resulting from this AGREEMENT.

B. No contract between the CONTRACTOR and its subcontractors, lessees, or any other participant at any tier of the project shall create any obligation or liability of WSDOT with regard to this AGREEMENT without WSDOT’s specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitations thereof. The CONTRACTOR hereby agrees to include this provision in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT.

Section 15
Personal Liability of Public Officers

No officer or employee of WSDOT shall be personally liable for any acts or failure to act in connection with this AGREEMENT, it being understood that in such matters they are acting solely as agents of WSDOT.

Section 16
Ethics

A. Code of Ethics. The CONTRACTOR agrees to maintain a written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts, subagreements, leases, third-party contracts, or other arrangements supported by federal assistance. The code or standards shall provide that the CONTRACTOR’s officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, sub-recipient, or participant at any tier of the Project, or agent thereof. The CONTRACTOR may set de minimis rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. These codes or standards shall prohibit the CONTRACTOR’s officers, employees, board members, or agents from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, such code or standards shall include penalties, sanctions, or other disciplinary actions for violations by the CONTRACTOR’s officers, employees, board members, or agents, or by subcontractors, lessees, sub-recipients, other participants, or their agents. The CONTRACTOR must fully comply with all the requirements and obligations of chapter 42.52 RCW that govern ethics in state and local governments.

1. Personal Conflict of Interest. The CONTRACTOR’s code or standards shall prohibit the CONTRACTOR’s employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by Federal Funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm or entity selected for award:

   a. The employee, officer, board member, or agent;
   b. Any member of his or her immediate family;
   c. His or her partner; or
   d. An organization that employs, or is about to employ, any of the above.

2. Organizational Conflict of Interest. The CONTRACTOR’s code or standard of conduct must include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract, subagreement, lease, or other arrangement at any tier may, without some restrictions on future activities, result in an unfair competitive advantage to the subrecipient, lessee, third-party contractor, or other participant at any tier of the Project or impair its objectivity in performing the work under this AGREEMENT.

B. Debarment and Suspension. The CONTRACTOR agrees to comply, and assures the compliance of each subrecipient, lessee, third-party contractor, or other participant at any tier of the project, with the requirements of
Executive Orders Numbers 12549 and 12689, "Debarment and Suspension, "31 USC § 6101 note, and U.S. DOT regulations, "Non-procurement Suspension and Debarment" 2 CFR Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement)," 2 CFR Part 180. The CONTRACTOR agrees to, and assures that its subrecipients, lessees, third-party contractors, and other participants at any tier of the Project will, search the "Excluded Parties Listing System" records at www.sam.gov before entering into any third subagreement, lease, third-party contract, or other arrangement in connection with the Project, and will include a similar term or condition in each of its lower-tier covered transactions.

C. **Bonus or Commission.** The CONTRACTOR affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its application for federal financial assistance for this Project.

D. **Relationships with Employees and Officers of WSDOT.** The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of WSDOT, nor shall the CONTRACTOR rent or purchase any equipment and materials from any employee or officer of WSDOT.

E. **Employment of Former WSDOT Employees.** The CONTRACTOR hereby warrants that it shall not engage on a full-time, part-time, or other basis during the period of this AGREEMENT, any professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of WSDOT without written consent of WSDOT.

F. **Restrictions on Lobbying.** The CONTRACTOR agrees to:

1. Comply with 31 USC § 1352(a) and will not use Federal assistance to pay the costs of influencing any officer or employee of a Federal agency, Member of Congress, officer of Congress or employee of a member of Congress, in connection with making or extending the Grant AGREEMENT or Cooperative Agreement; and
2. Comply, and assure compliance by each subcontractor at any tier, each lessee at any tier and each sub-recipient at any tier, with applicable requirements of U.S. DOT regulations, "New Restriction on Lobbying," 49 CFR Part 20, modified as necessary by 31 USC § 1352; and
3. Comply with federal statutory provisions to the extent applicable prohibiting the use of Federal assistance Funds for activities designed to influence Congress or a state legislature on legislation or appropriations, except through proper, official channels.

G. **Employee Political Activity.** To the extent applicable, the CONTRACTOR agrees to comply with the provisions of the Hatch Act, 5 USC §§ 1501 through 1508, and §§ 7324 through 7326, and Office of Personnel Management regulations, "Political Activity of State or Local Officers or Employees," 5 CFR Part 151. The Hatch Act limits the political activities of state and local agencies and their officers and employees, whose principal employment activities are financed in whole or in part with Federal Funds including a loan, grant, or cooperative agreement. Nevertheless, in accordance with 49 USC § 5307 (k)(2)(B) and 23 USC § 142(g), the Hatch Act does not apply to a non-supervisory employee of a public transportation system (or of any other agency or entity performing related functions) receiving assistance pursuant to the MAP-21 or SAFETEA-LU provisions and/or receiving FTA assistance to whom the Hatch Act does not otherwise apply.

H. **False or Fraudulent Statements or Claims.** The CONTRACTOR acknowledges and agrees that:

1. Such action shall include, but not be limited to, employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Section 21
Accounting Records

A. Project Accounts. The CONTRACTOR agrees to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project, in accordance with applicable federal regulations and other requirements that FTA may impose. The CONTRACTOR agrees that all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible, and available to WSDOT and FTA upon request, and, to the extent feasible, kept separate from documents not pertaining to the Project.

During the course of the Project and for six (6) years thereafter, the CONTRACTOR agrees to retain intact and to provide any data, documents, reports, records, contracts, and supporting materials, both paper and electronic, relating to the Project as WSDOT may require. Reporting and record-keeping requirements are set forth in 49 CFR Part 18 or 19, whichever is applicable. Project closeout does not alter these recording and record-keeping requirements. Should an audit, enforcement, or litigation process be commenced, but not completed, during the aforementioned six-year period then the CONTRACTOR’s obligations hereunder shall be extended until the conclusion of that pending audit, enforcement, or litigation process.

B. General Audit Requirements. The CONTRACTOR agrees to perform the financial and compliance audits required by the Single Audit Act Amendments of 1996, 31 USC §§ 7501 et seq. ### Section 23

**Labor Provisions**

A. **Contract Work Hours and Safety Standards Act.** The CONTRACTOR shall comply with, and shall require the compliance by each subcontractor at any tier, any applicable employee protection requirements for non-construction employees as defined by the Contract Work Hours and Safety Standards Act, as amended, 40 USC § 3701 *et seq.*, and specifically, the wage and hour requirements of section 102 of that Act at 40 USC § 3702 and USDOL regulations, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Non-construction Contracts Subject to the Contract Work Hours and Safety Standards Act)” at 29 CFR. B. **Fair Labor Standards Act.** The CONTRACTOR agrees that the minimum wage and overtime provisions of the Fair Labor Standards Act, as amended, 29 USC §§ 201 *et seq.*, apply to employees performing work involving commerce, and apply to any local government employees that are public transit authority employees. The CONTRACTOR shall comply with the Fair Labor Standards Act’s minimum wage and overtime requirements for employees performing work in connection with the Project.

C. **Overtime Requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty (40) hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

D. **Payrolls and Basic Records.** Payrolls and basic records relating thereto shall be maintained by the CONTRACTOR during the course of the work and preserved for a period of six (6) years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the Project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act, Public Law 88-349 as amended by 40 USC §§ 3141 *et seq.*, and pursuant to 49 USC §5333(a) *et seq.*, daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, Public Law 88-349, as amended by 40 USC § 3141 *et seq.* and pursuant to 49 USC § 5333(a), the CONTRACTOR shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. CONTRACTOR’s employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.
E. **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (A) of this section the CONTRACTOR and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such CONTRACTOR and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (A) of this section, in the sum of ten dollars ($10) for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty (40) hours without payment of the overtime wages required by the clause set forth in paragraph (C) of this section.

F. **Withholding for unpaid wages and liquidated damages.** The CONTRACTOR shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONTRACTOR or subcontractor under any such contract or any other federal contract with the same prime CONTRACTOR, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime CONTRACTOR, such sums as may be determined to be necessary to satisfy any liabilities of such CONTRACTOR or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (E) of this section.

G. **Public Transportation Employee Protective Agreement.** To the extent required by Federal Law, the CONTRACTOR agrees to implement the Project in accordance with the terms and conditions that the U.S. Secretary of Labor has determined to be fair and equitable to protect the interests of any employees affected by the Project and that comply with the requirements of 49 USC § 5333 (b), in accordance with the USDOL guidelines, “Section 5333(b), Federal Transit Law,” 29 CFR Part 215 and any amendments thereto. These terms and conditions are identified in USDOL’s certification of public transportation employee protective arrangements to FTA. The CONTRACTOR agrees to implement the Project in accordance with the conditions stated in that USDOL certification, which certification and any documents cited therein are incorporated by reference and made part of this AGREEMENT. The CONTRACTOR also agrees to comply with the terms and conditions of the Special Warranty for the Non-urbanized Area Program that is most current as of the date of execution of this AGREEMENT and any alternative comparable arrangements specified by USDOL for application to the Project, in accordance with USDOL guidelines, “Section 5333(b), Federal Transit Law,” 29 CFR Part 215, and any revision thereto.

**Section 24**

**Liens on Project Equipment**

WSDOT shall hold legal title to all vehicles the CONTRACTOR acquires and have legal ownership to any non-vehicle Project Equipment the CONTRACTOR acquires or modifies using the “Federal and/or State Funds” identified in the caption space of this AGREEMENT titled “Project Costs”. The CONTRACTOR accepts WSDOT’s legal ownership of the Project Equipment during its useful life and agrees that it shall not use the Project Equipment as collateral, nor shall the CONTRACTOR encumber the Project Equipment in any way. The Contractor shall follow the terms stated in Section 9A regarding use and disposal of all Project Equipment. For non-vehicle Project Equipment, WSDOT’s lien shall equal the proportional Federal and/or State funded share, as identified in this AGREEMENT, of the disposable value of the Project Equipment. Satisfaction of WSDOT’s lien may be satisfied only by proper disposal of the Project Equipment in a manner determined by WSDOT.

**Section 25**

**Loss or Damage to Project Equipment**

A. The CONTRACTOR, at its own expense, shall cover any loss, theft, damage, or destruction of the Project Equipment using either of the following methods:

1. The CONTRACTOR shall maintain comprehensive and collision insurance adequate to cover the value of the Project Equipment; and the CONTRACTOR shall supply a copy of the Certificate of Insurance specifying such coverage to WSDOT before operating or moving any Project Equipment; or

2. The CONTRACTOR shall provide a written certificate of self-insurance to WSDOT before operating or moving any Project Equipment. The CONTRACTOR will cover from its own resources the costs of repairing or replacing any Project Equipment, if it is stolen, damaged, or destroyed in any manner.

B. If the damage to the Project Equipment does not result in a total loss, payments for damage shall be paid directly to the CONTRACTOR. The CONTRACTOR shall, within thirty (30) days, either:

1. Devote all of the insurance proceeds received to repair the Project Equipment and place it back in service, and the CONTRACTOR shall, at its own expense, pay any portion of the cost of repair which is not covered by insurance; or
2. In the event the CONTRACTOR certified to self-insurance, devote all funds necessary to repair the Project Equipment and place it back into service.

C. If the Project Equipment is a total loss, either by theft or damage, the insurance proceeds or equivalent shall be paid directly to WSDOT. The CONTRACTOR shall within sixty (60) days of loss, theft, or damage, notify WSDOT that it either:
   1. Intends to replace the lost Project Equipment; or
   2. Does not intend to replace the lost Project Equipment.

D. If WSDOT determines that the total loss occurred under circumstances in which the CONTRACTOR fulfilled its obligations under this AGREEMENT, WSDOT would either pay or rebate to the CONTRACTOR its proportionate share of such proceeds received, or take such other action with respect to such proceeds, as FTA shall allow.

E. Coverage, if obtained or provided by the CONTRACTOR in compliance with this section, shall not be deemed as having relieved the CONTRACTOR of any liability in excess of such coverage as required by the limitation of liability section of this AGREEMENT, or otherwise.

Section 26
Planning and Private Enterprise

To the extent feasible, the CONTRACTOR agrees to comply with the provisions of 49 USC § 5323(k), which afford governmental agencies and non-profit organizations that receive Federal assistance for non-emergency transportation from Federal Government sources (other than U.S. DOT) an opportunity to be included in the design, coordination, and planning of transportation services. During the implementation of the Project, the CONTRACTOR agrees to take into consideration the recommendations of Executive Order No. 12803, “Infrastructure Privatization,” 31 USC § 501 note, and Executive Order No 12893, “Principles for Federal Infrastructure Investments,” 31 USC § 501 note.

Charter Service Operations

The GRANTEE agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in charter service operations without first notifying its WSDOT project manager in writing of its intent, and learning the reporting requirements, exceptions, exemptions, and potential violations related to the specific funding source(s) of the subject AGREEMENT. Subsequent to coordination with WSDOT, CONTRACTOR agrees that it shall not engage in charter service operations, except as authorized by 49 U.S.C. § 5323(d) and FTA regulations, “Charter Service,” 49 C.F.R. The Charter Service Agreement the GRANTEE has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of this Agreement for the Project.

If the GRANTEE has failed to select the Charter Service Agreement in its latest annual Certifications and Assurances to FTA and does conduct charter service operations prohibited by FTA’s Charter Service regulations, the GRANTEE understands and agrees that: (1) the requirements of FTA’s Charter Service regulations and any amendments thereto will apply to any charter service it or its subrecipients, lessees, third party contractors, or other participants in the Project provide; (2) the definitions of FTA’s Charter Service regulations will apply to the GRANTEE’s charter operations, and (3) a pattern of violations of FTA’s Charter Service regulations may require corrective measures and imposition of remedies, including barring the GRANTEE, subrecipient, lessee, third party contractor, or other participant in the Project operating public transportation under the Project from receiving Federal financial assistance from FTA, or withholding an amount of Federal assistance as set forth in Appendix D to those regulations.

Section 31

School Bus Operations

The GRANTEE agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 U.S.C. chapter 53 or under 23 U.S.C. §§ 133 or 142, will engage in school transportation operations for the transportation of students or school personnel exclusively in competition with private school transportation operators, except as authorized by 49 U.S.C. §§ 5323(f) or (g), as applicable, and FTA regulations, “School Bus Operations,” 49 C.F.R. Part 605 to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), in accordance with any School Transportation Operations regulations or FTA directives that may be issued at a later date, except to the extent that FTA determines otherwise in writing. The School Transportation Operations Agreement the GRANTEE has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the GRANTEE has failed to select the School Transportation Agreement in its latest annual Certifications and Assurances to FTA and does conduct school transportation operations prohibited by FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent those regulations are consistent with 49 U.S.C. §§ 5323(f) or (g), the GRANTEE understands and agrees that: (1) the requirements of FTA’s School Bus Operations regulations, 49 C.F.R. Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), will apply to any school transportation service it or its sub-recipients, lessees, third party contractor, or other participants in the project provide, (2) the definitions of FTA’s School Bus Operations

Part 605, to the extent consistent with 49 U.S.C. §§ 5323(f) or (g), from receiving Federal transit assistance in an amount FTA considers appropriate.

Section 32
Freedom of Information Act
CONTRACTOR understands and agrees that the Freedom of Information Act (FOIA), 5 USC § 552, applies to the information and documents, both paper and electronic, submitted to WSDOT, FTA and U.S. DOT. The CONTRACTOR should therefore be aware that all applications and materials submitted that are related to PROJECT will become agency records and are subject to public release through individual FOIA or state public disclosure requests.

Section 33
Coordination of Special Needs Transportation
It is the policy of WSDOT to actively support coordination of special needs transportation in the State. As a condition of assistance, the CONTRACTOR is required to participate in local coordinated planning as led by CONTRACTOR’s relevant Metropolitan Planning Organization (MPO) and/or Regional Transportation Planning Organization (RTPO). Persons with special transportation needs means those persons, including their personal attendants, who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation.

Section 34
Agreement Modifications
Either PARTY may request changes to this AGREEMENT. Any changes to the terms of this AGREEMENT must be mutually agreed upon and incorporated by written amendment to this AGREEMENT. Such amendments shall not be binding or valid unless signed by the persons authorized to bind each of the PARTIES.

Section 35
Changed Conditions Affecting Performance
The CONTRACTOR hereby agrees to immediately notify WSDOT in writing of any change in conditions or law, or of any other event, including any current or prospective dispute, which may adversely affect WSDOT’S interest in the PROJECT or affect CONTRACTOR’s ability to perform the Project in accordance with the provisions of this AGREEMENT.

Section 36
Universal Identifier
CONTRACTOR shall, in accordance with 2 CFR Part 25, obtain a Dun and Bradstreet Data Universal Numbering System (DUNS) number as a univeral identifier for Federal financial assistance recipients.

Section 37
Disputes
A. Disputes. Disputes, arising in the performance of this AGREEMENT, which are not resolved by agreement of the PARTIES, shall be decided in writing by the WSDOT Public Transportation Assistant Director or Assistant Director’s designee. This decision shall be final and conclusive unless within ten (10) days from the date of the CONTRACTOR’s receipt of WSDOT’s written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director’s designee. The CONTRACTOR’s appeal shall be decided in writing by the Director of the Public Transportation Division within thirty (30) days of receipt of the appeal by the Director of Public Transportation Division or Director’s designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

B. Performance During Dispute. Unless otherwise directed by WSDOT, CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

C. Claims for Damages. Should either PARTY to this AGREEMENT suffer injury or damage to person, property, or right because of any act or omission of the other PARTY or any of that PARTY’s employees, agents or
others for whose actions it is legally liable, a claim for damages therefore shall be made in writing to such other PARTY within thirty (30) days after the first observance of such injury or damage.

D. Rights and Remedies. All remedies provided in this AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively and shall not be construed to be a limitation of any duties, obligations, rights and remedies of the PARTIES hereto. No action or failure to act by the WSDOT or CONTRACTOR shall constitute a waiver of any right or duty afforded any of them under this AGREEMENT, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Section 38
State and Local Law

Except when a Federal statute or regulation pre-empts state and/or local law, regulation or ordinance, no provision of this AGREEMENT shall require the CONTRACTOR to observe or enforce compliance with any provision, perform any other act, or do any other thing in contravention of state or local law, regulation or ordinance. Thus if any provision or compliance with any provision of this AGREEMENT violate state or local law, regulation or ordinance, or would require the CONTRACTOR to violate state or local law, regulation or ordinance, the CONTRACTOR agrees to notify WSDOT immediately in writing. Should this occur, WSDOT and the CONTRACTOR agree to make appropriate arrangements to proceed with or, if necessary, expeditiously, terminate the Project.

Section 39
Termination

A. Termination for Convenience. WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the federal and/or state financial assistance provided herein, at any time by written notice to the other PARTY in accordance with 49 CFR Part 18 § 18.44 or 49 CFR Part 19 § 19.61, whichever is applicable. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination, the portion to be terminated. However, if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made WSDOT may terminate the award in its entirety. WSDOT and/or the CONTRACTOR may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite federal and/or state funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of federal and/or state funds;
3. The CONTRACTOR is prevented from proceeding with the Project as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR;
5. The Federal Government and/or State Government determines that the purposes of the statute authorizing the Project would not be adequately served by the continuation of federal and/or state financial assistance for the Project; or
6. The Federal Government terminates this AGREEMENT due to a determination that the CONTRACTOR has: (a) willfully misused Federal assistance Funds by failing to make adequate progress on the Project, (b) failed to make reasonable and appropriate use of the Project real property, facilities, or equipment, or (c) failed to comply with the terms of this AGREEMENT. In the event of a termination under this subsection, and the Federal Government exercises its right to require WSDOT to refund any or all of the Federal Funds provided for the Project, the CONTRACTOR shall return all monies reimbursed to it by WSDOT, in the amount required by the Federal Government, within sixty (60) days of its receipt of a certified letter from WSDOT.
7. In the case of termination for convenience under subsections A.1 through A.5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT which the CONTRACTOR properly
incurred prior to termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

B. **Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the federal financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;
2. Jeopardizes its ability to perform pursuant to the AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates.
3. Abuses or misuses the Project Equipment, including, but not limited to:
   a) Failure to maintain a vehicle according to the manufacturer’s standards;
   b) Failure to repair damages or replace defective or broken parts in a timely manner;
   c) Failure to take any action which could affect the ability of the Project Equipment to perform its designated function or takes any action which could shorten its useful life for Project use or otherwise;
   d) Failure to make reasonable and appropriate use of the Project Equipment.
4. Fails to make reasonable progress on the Project or other violation of this AGREEMENT that endangers substantial performance of the Project; or
5. Fails to perform in the manner called for in this AGREEMENT or fails to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.

C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.

**Section 40**

**Forbearance by WSDOT Not a Waiver**

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

**Section 41**

**Lack of Waiver**

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach or default. Such payment shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default.

**Section 42**

**Limitation of Liability**

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as “claims”), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to the execution of this AGREEMENT and/or the
CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers, and subcontractors arising out of, in connection with or incident to the negligent acts omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing therein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the negligent acts or omissions of the WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent CONTRACTOR for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of the AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

Section 43
WSDOT Advice

The CONTRACTOR bears complete responsibility for the administration and success of the Project as it is defined by this AGREEMENT and any amendments thereto. If the CONTRACTOR solicits advice of WSDOT on problems that may arise, the offering of WSDOT advice shall not shift the responsibility of the CONTRACTOR for the correct administration and success of the Project, and WSDOT shall not be held liable for offering advice to the CONTRACTOR.

Section 44
Venue and Process

In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County. The PARTIES agree that the laws of the state of Washington shall apply.

Section 45
Subrogation

A. Prior to Subrogation. WSDOT may require the CONTRACTOR to take such action as may be necessary or appropriate to preserve the CONTRACTOR's right to recover damages from any person or organization alleged to be legally responsible for injury to the Project Equipment or other property in which WSDOT has a financial interest.

B. Subrogation. WSDOT may require the CONTRACTOR to assign to it all right of recovery against any person or organization for loss, to the extent of WSDOT’s loss. Upon assignment, the CONTRACTOR shall execute, deliver, and do whatever else is necessary to secure WSDOT’s rights. The CONTRACTOR shall do nothing after any loss to prejudice the rights of WSDOT.

C. Duties of the CONTRACTOR. If WSDOT has exercised its right of subrogation, the CONTRACTOR shall cooperate with WSDOT and, upon WSDOT’s request, assist in the prosecution of suits and enforce any right against any person or organization who may be liable to WSDOT due to damage of Project Equipment. The CONTRACTOR shall attend hearings and trials as requested by WSDOT, assist in securing and giving evidence as requested by WSDOT, and obtain the attendance of witnesses as requested by WSDOT.

Section 46
Counterparts

This AGREEMENT may be simultaneously executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their supporting materials contained and/or mentioned herein, and does hereby accept WSDOT’s grant and agrees to all of the terms and conditions thereof.
Section 47
Complete Agreement
This document contains all covenants, stipulations, and provisions agreed upon by WSDOT. No agent or representative of WSDOT has authority to make, and WSDOT shall not be bound by or be liable for, any statement, representation, promise, or agreement not set forth herein or made by written amendment hereto.

Section 48
Severability
If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or any part thereof, which in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.
