WHEREAS, WSDOT's Public Transportation Division administers the Paratransit/Special Needs Transit Formula Grant Program funds to provide assistance to transit agencies for transportation related support of persons with special needs;

NOW, THEREFORE, in consideration of the terms, conditions, performances and mutual covenants herein set forth and the attached Exhibit I, "Scope of Work and Budget," IT IS MUTUALLY AGREED AS FOLLOWS:

## **Section 1**

### **Purpose of Agreement**

The purpose of this AGREEMENT is for WSDOT to provide operating funds to the CONTRACTOR for public transportation services that meet the needs of persons in the State of Washington, hereinafter referred to as the "Project."

## **Section 2**

### **Scope of Project**

The CONTRACTOR shall undertake and complete the Project as detailed in Exhibit I, "Scope of Work and Budget", which is by this reference fully incorporated herein as if fully set out in this AGREEMENT, and to operate the service within the area described in the caption space header titled "Service Area," in accordance with the terms and conditions of this AGREEMENT. The caption space header titled "Service Area" and all caption space headers are by this reference incorporated herein as if fully set out in this AGREEMENT.

## **Section 3**

### **Term of Project**

The CONTRACTOR shall commence, perform, and complete the Project within the period of time defined in the caption space header titled "Term of Project" on this AGREEMENT regardless of the date of signature and execution of this AGREEMENT, unless terminated as provided herein.

## **Section 4**

### **Contractor's Share of Project Costs**

The total Project cost shall not exceed the amounts detailed in the caption space header titled "Project Costs." The CONTRACTOR agrees to expend eligible funds, together with any "Contractor Funds" allocated for the Project in an amount sufficient to complete the Project as detailed in Exhibit I, "Scope of Work and Budget." The CONTRACTOR further agrees that there shall be no reduction in any amount specified as the Contractor's Funds unless there is a concurrent proportional reduction in the Federal and/or State Funds, or WSDOT pre-approves the reduction in writing. If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will exceed or be less than the amount identified as "Total Project Cost" in the caption space header titled "Project Costs," the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination. The CONTRACTOR agrees that "Project Costs" eligible for federal participation, including State Funds and Contractor Funds used as match to other FTA funds, must comply with the standards of 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" (effective December 31, 2014), OMB Circular A-87, Revised, "Cost Principles for State and Local Governments", or OMB Circular A-122, Revised, "Cost Principles for Non-Profit Organizations", or Federal Acquisition Regulation (FAR), 48 CFR Chapter 1, subpart 31.2, "Contracts with Commercial Organizations," whichever is appropriate.

## **Section 5**

### **Payment**

A. WSDOT, using FTA funds and/or State funds, shall reimburse the CONTRACTOR for allowable expenses incurred in completing the Project described in Exhibit I, "Scope of Work and Budget." Allowable Project expenses shall be determined by WSDOT as described in WSDOT's *Guide to Managing Your Public Transportation Grant*, and any amendments thereto, which by this reference is fully incorporated herein. In no event shall the total amount reimbursed by WSDOT exceed the "Federal Funds" or "State Funds" identified in the caption space header titled "Project Costs," above.

B. Payment will be made by WSDOT on a reimbursable basis for actual net project costs incurred within the timeframe in the caption space header titled "Term of Project." Such costs to be reimbursed shall be calculated as described in WSDOT's *Guide to Managing Your Public Transportation Grant*, and any amendments thereto, found at <http://www.wsdot.wa.gov/Transit/Grants/Guidebook.htm>. WSDOT shall make no payments for costs incurred prior to the beginning date or after the ending date shown in the caption space titled "Term of Project." The CONTRACTOR shall submit an invoice detailing and supporting the costs incurred. Such invoices may be submitted no more than once a month and no less than once per quarter. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days of receipt of the invoice. Payment is subject to the submission to and approval by WSDOT of appropriate invoices, reports, and financial summaries. Any financial summaries submitted to WSDOT must include a record of the actual costs.

C. The CONTRACTOR shall submit an invoice by July 15, 2016, for any unreimbursed eligible expenditures incurred between July 1, 2015, and June 30, 2016. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the

expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. The CONTRACTOR's final payment request must be received by WSDOT by July 15, 2017, within thirty (30) days of the completion of the Project, or within thirty (30) days of the termination of this AGREEMENT, whichever is sooner. Any payment request received after July 15, 2017 will not be eligible for reimbursement.

## **Section 6**

### **Assignments and Subcontracts**

A. Unless otherwise authorized in advance and in writing by WSDOT, the CONTRACTOR will not assign any portion of the Project or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this AGREEMENT.

B. The CONTRACTOR agrees to include sections 8 through 26 and Section 34 of this AGREEMENT in each subcontract financed in whole or in part with federal assistance provided by FTA; and in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT, subject to the limitations set forth in Sections 19.E.3 of this AGREEMENT. It is further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in any advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

#### Statement of Financial Assistance:

"This AGREEMENT is subject to a financial assistance contract between the Washington State Department of Transportation and the Federal Transit Administration and the appropriations of the State of Washington."

## **Section 7**

### **Reports**

A. The CONTRACTOR shall prepare quarterly reports regarding services provided pursuant to this AGREEMENT and other related information as prescribed in WSDOT's *Guide to Managing Your Transportation Grant*, and any amendments thereto, or as requested by WSDOT. Due to Federal and State reporting requirements, quarterly progress reports and post-grant annual performance reporting shall be submitted for the duration of the AGREEMENT period regardless of whether the underlying funding sources have been exhausted. These reports may include, but are not limited to:

1. Passenger Trips provided
2. Project Revenue Hours provided
3. Project Revenue Miles provided
4. Narrative Progress Report
5. Financial status of the project

## **Section 8**

### **General Compliance Assurance**

The CONTRACTOR agrees to give reasonable guarantees that it and its subcontractors, lessees and any third-party contractors under this AGREEMENT, will comply with all requirements imposed by, or pursuant to, 49 USC chapter 53 and other applicable Federal regulations. The CONTRACTOR agrees to comply with the provisions of 49 CFR Part 18 or 49 CFR Part 19 or FAR, 48 CFR Chapter 1, subpart 31 whichever is applicable, and cost principles as defined in OMB circulars 2 CFR Part 200, A-87 and A-122. The CONTRACTOR agrees to comply with all instructions as prescribed in WSDOT's *Guide to Managing Your Public Transportation Grant*, and any amendments thereto. The CONTRACTOR agrees that the United States, any agency thereof, WSDOT and any of WSDOT's representatives, have not only the right to monitor the compliance of the CONTRACTOR with the provisions of this Assurance, but also have the right to seek judicial enforcement with regard to any matter arising under Federal transit laws and regulations, and this Assurance.

**Section 9**  
**Procurement**

The CONTRACTOR shall make purchases of any incidental goods or supplies essential to this AGREEMENT through procurement procedures approved in advance by WSDOT and consistent with the following provisions:

**A. General Procurement Requirements.** The CONTRACTOR shall comply with third-party procurement requirements of 49 USC chapter 53 and other applicable Federal laws in effect now or as subsequently enacted; with the United States Department of Transportation (U.S. DOT) third-party procurement regulations of 49 CFR § 18.36 or 49 CFR § 19.40 through 19.48 and other applicable Federal regulations pertaining to third-party procurements and subsequent amendments thereto. The CONTRACTOR shall also comply with the provisions of FTA Circular 4220.1F, "Third Party Contracting Guidance," November 1, 2008, and any later revision thereto, except to the extent FTA determines otherwise in writing, which by this reference are incorporated herein; and any reference therein to "Grantee" shall mean CONTRACTOR.

**B. Full and Open Competition.** In accordance with 49 USC § 5325(a), the CONTRACTOR agrees to conduct all procurement transactions in a manner that provides full and open competition as determined by FTA.

**C. Preference for United States Products and Services.** To the extent applicable, the CONTRACTOR agrees to comply with the following U.S. preference requirements:

1. **Buy America.** The CONTRACTOR agrees to comply with 49 USC § 5323(j), with FTA regulations, "Buy America Requirements," 49 CFR Part 661, and any later amendments thereto.

2. **Cargo Preference—Use of United States-Flag Vessels.** The CONTRACTOR agrees to comply with 46 USC § 55305 and U.S. Maritime Administration regulations, "Cargo Preference—U.S.-Flag Vessels," 46 CFR Part 381, to the extent those regulations apply to the Project.

3. **Fly America.** The CONTRACTOR understands and agrees that the Federal Government will not participate in the costs of international air transportation of any persons involved in or property acquired for the Project unless that air transportation is provided by U.S.-flag air carriers to the extent service by U.S.-flag air carriers is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974, as amended, 49 USC § 40118, and with U.S. GSA regulations, "Use of United States Flag Air Carriers," 41 CFR §§ 301-10.131 through 301-10.143.

**D. Preference for Recycled Products.** To the extent applicable, The CONTRACTOR agrees to comply with U.S. Environmental Protection Agency (U.S. EPA), "Comprehensive Procurement Guideline for Products Containing Recovered Materials", 40 CFR Part 247, which implements section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, 42 USC § 6962. Accordingly, the CONTRACTOR agrees to provide a competitive preference for products and services that conserve natural resources, protect the environment, and are energy efficient, except to the extent that the Federal Government determines otherwise in writing.

**E. Geographic Restrictions.** The CONTRACTOR agrees to not use any state or local geographic preference, except those expressly mandated or encouraged by federal statute or as permitted by FTA.

**F. Government Orders.** In case any lawful government authority shall make any order with respect to the Project or Project Equipment, or any part thereof, or the PARTIES hereto or either PARTY, the CONTRACTOR shall cooperate with WSDOT in carrying out such order and will arrange its operation and business so as to enable WSDOT to comply with the terms of the order.

**Section 10**  
**Charter Service Operations**

The CONTRACTOR agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 USC chapter 53 or under 23 USC §§ 133 or 142, will engage in charter service operations without first notifying its WSDOT project manager in writing of its intent, and learning the reporting requirements, exceptions, exemptions, and potential violations related to the specific funding source(s) of the subject AGREEMENT. Subsequent to coordination with WSDOT, CONTRACTOR agrees that it shall not engage in charter service operations, except as authorized by 49 USC § 5323(d) and FTA regulations, "Charter Service," 49 CFR Part 604, and any Charter Service regulations or FTA directives that may be issued, except to the extent that FTA determines otherwise in writing. The Charter Service Agreement the CONTRACTOR has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the CONTRACTOR has failed to select the Charter Service Agreement in its latest annual Certifications and Assurances to FTA and does conduct charter service operations prohibited by

FTA's Charter Service regulations, the CONTRACTOR understands and agrees that: (1) the requirements of FTA's Charter Service regulations and any amendments thereto will apply to any charter service it or its subrecipients, lessees, third-party contractors, or other participants in the Project provide; (2) the definitions of FTA's Charter Service regulations will apply to the CONTRACTOR's charter operations, and (3) a pattern of violations of FTA's Charter Service regulations may require corrective measures and imposition of remedies, including barring the CONTRACTOR, subrecipient, lessee, third-party contractor, or other participant in the Project operating public transportation under the Project from receiving Federal financial assistance from FTA, or withholding an amount of Federal assistance as set forth in Appendix D to FTA's Charter Service regulations.

#### **Section 11**

##### **School Bus Operations**

The CONTRACTOR agrees that neither it nor any public transportation operator performing work in connection with a Project financed under 49 USC chapter 53 or under 23 USC §§ 133 or 142, will engage in school transportation operations for the transportation of students or school personnel exclusively in competition with private school transportation operators, except as authorized by 49 USC §§ 5323(f) or (g), as applicable, and FTA regulations, "School Bus Operations," 49 CFR Part 605 to the extent consistent with 49 USC §§ 5323(f) or (g), in accordance with any School Transportation Operations regulations or FTA directives that may be issued at a later date, except to the extent that FTA determines otherwise in writing. The School Transportation Operations Agreement the CONTRACTOR has selected in its latest annual Certifications and Assurances is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. If the CONTRACTOR has failed to select the School Transportation Operations Agreement in its latest annual Certifications and Assurances to FTA and does conduct school transportation operations prohibited by FTA's School Bus Operations regulations, 49 CFR Part 605, to the extent those regulations are consistent with 49 USC §§ 5323(f) or (g), the CONTRACTOR understands and agrees that: (1) the requirements of FTA's School Bus Operations regulations, 49 CFR Part 605, to the extent consistent with 49 USC §§ 5323(f) or (g), will apply to any school transportation service it or its subrecipients, lessees, third-party contractors, or other participants in the project provide, (2) the definitions of FTA's School Bus Operations regulations will apply to the CONTRACTOR's school transportation operations, and (3) if there is a violation of FTA's School Bus Operations regulations to the extent consistent with 49 USC §§ 5323(f) or (g), FTA will bar the CONTRACTOR, subrecipient, lessee, third-party contractor, or other Project participant operating public transportation that has violated FTA's School Bus Operations regulations, 49 CFR Part 605, to the extent consistent with 49 USC §§ 5323(f) or (g), from receiving Federal transit assistance in an amount FTA considers appropriate and FTA may require remedial measures as FTA considers appropriate, in addition to barring a subrecipient from receiving further transit funds.

#### **Section 12**

##### **Incorporation of Federal Terms**

A. **Purchasing.** This AGREEMENT's provisions include, in part, certain Standard Terms and Conditions required by FTA, whether or not expressly set forth herein. All contractual provisions required by FTA, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this AGREEMENT. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any WSDOT request, which would cause WSDOT to be in violation of any FTA term or condition.

B. **Federal Changes.** The CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures and directives, whether or not they are referenced in this AGREEMENT and include any amendments promulgated by the FTA, during the term of this AGREEMENT. The CONTRACTOR's failure to so comply shall constitute a material breach of this AGREEMENT.

#### **Section 13**

##### **No Obligation by the Federal Government**

A. WSDOT and the CONTRACTOR acknowledge and agree that regardless of any concurrence or approval by the Federal Government of the solicitation or award of this AGREEMENT, the Federal Government is not a party to this AGREEMENT unless it provides its express written consent. The Federal Government shall not be subject to any obligations or liabilities to the CONTRACTOR, subcontractor, lessee, or any other participant at any tier of the project (whether or not a PARTY to this AGREEMENT) pertaining to any matter resulting from this AGREEMENT.

B. No contract between the CONTRACTOR and its subcontractors, lessees, or any other participant at any tier of the project shall create any obligation or liability of WSDOT with regard to this AGREEMENT without WSDOT's specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract

or the solicitations thereof. The CONTRACTOR hereby agrees to include this provision in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT.

#### Section 14

##### Personal Liability of Public Officers

No officer or employee of WSDOT shall be personally liable for any acts or failure to act in connection with this AGREEMENT, it being understood that in such matters they are acting solely as agents of WSDOT.

#### Section 15

##### Ethics

A. **Code of Ethics.** The CONTRACTOR agrees to maintain a written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts, subagreements, leases, third-party contracts, or other arrangements supported by federal assistance. The code or standards shall provide that the CONTRACTOR's officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, sub-recipient, or participant at any tier of the Project, or agent thereof. The CONTRACTOR may set *de Minimis* rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. These codes or standards shall prohibit the CONTRACTOR's officers, employees, board members, or agents from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, such code or standards shall include penalties, sanctions, or other disciplinary actions for violations by the CONTRACTOR's officers, employees, board members, or agents, or by subcontractors, lessees, sub-recipients, other participants, or their agents. The CONTRACTOR must fully comply with all the requirements and obligations of chapter 42.52 RCW that govern ethics in state and local governments.

1. **Personal Conflict of Interest.** The CONTRACTOR's code or standards shall prohibit the CONTRACTOR's employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by Federal Funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the PARTIES set forth below has a financial or other interest in the firm or entity selected for award:

- a. The employee, officer, board member, or agent;
- b. Any member of his or her immediate family;
- c. His or her partner; or
- d. An organization that employs, or is about to employ, any of the above.

2. **Organizational Conflict of Interest.** The CONTRACTOR's code or standard of conduct must include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third-party contract, subagreement, lease, or other arrangement at any tier may, without some restrictions on future activities, result in an unfair competitive advantage to the subrecipient, lessee, third-party contractor, or other participant at any tier of the Project or impair its objectivity in performing the work under this AGREEMENT.

B. **Debarment and Suspension.** The CONTRACTOR agrees to comply, and assures the compliance of each sub-recipient, lessee, third-party contractor, or other participant at any tier of the project, with the requirements of Executive Orders Numbers 12549 and 12689, "Debarment and Suspension," 31 USC § 6101 note, and U.S. DOT regulations, "Non-procurement Suspension and Debarment" 2 CFR Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Government wide Debarment and Suspension (Non-procurement)," 2 CFR Part 180. The CONTRACTOR agrees to, and assures that its subrecipients, lessees, third-party contractors, and other participants at any tier of the Project will, search the System for Award Management at <https://www.sam.gov> before entering into any third sub agreement, lease, third-party contract, or other arrangement in connection with the Project, and will include a similar term or condition in each of its lower-tier covered transactions. CONTRACTOR understands that a suspension, debarment, or other similar action against a third party by CONTRACTOR is considered an adverse action that can result in a change in Project performance and agrees to provide immediate written notice to FTA if the CONTRACTOR suspends, debars, or takes similar action against a third party.

C. **Bonus or Commission.** The CONTRACTOR affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its application for federal financial assistance for this Project.

**D. Relationships with Employees and Officers of WSDOT.** The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of WSDOT, nor shall the CONTRACTOR rent or purchase any equipment and materials from any employee or officer of WSDOT.

**E. Employment of Former WSDOT Employees.** The CONTRACTOR hereby warrants that it shall not engage on a full-time, part-time, or other basis during the period of this AGREEMENT, any professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of WSDOT without written consent of WSDOT.

**F. Restrictions on Lobbying.** The CONTRACTOR agrees to:

1. Comply with 31 USC § 1352(a) and will not use Federal assistance to pay the costs of influencing any officer or employee of a Federal agency, Member of Congress, officer of Congress or employee of a member of Congress, in connection with making or extending the Grant AGREEMENT or Cooperative Agreement; and

2. Comply, and assure compliance by each subcontractor at any tier, each lessee at any tier and each sub-recipient at any tier, with applicable requirements of U.S. DOT regulations, "New Restriction on Lobbying," 49 CFR Part 20, modified as necessary by 31 USC § 1352; and

3. Comply with federal statutory provisions to the extent applicable prohibiting the use of Federal assistance Funds for activities designed to influence Congress or a state legislature on legislation or appropriations, except through proper, official channels.

**G. Employee Political Activity.** To the extent applicable, the CONTRACTOR agrees to comply with the provisions of the Hatch Act, 5 USC §§ 1501 through 1508, and §§ 7324 through 7326, and Office of Personnel Management regulations, "Political Activity of State or Local Officers or Employees," 5 CFR Part 151. The Hatch Act limits the political activities of state and local agencies and their officers and employees, whose principal employment activities are financed in whole or in part with Federal Funds including a loan, grant, or cooperative agreement. Nevertheless, in accordance with 49 USC § 5307 (k)(2)(B) and 23 USC § 142(g), the Hatch Act does not apply to a non-supervisory employee of a public transportation system (or of any other agency or entity performing related functions) receiving assistance pursuant to MAP-21 or SAFETEA-LU provisions and/or receiving FTA assistance to whom the Hatch Act does not otherwise apply.

**H. False or Fraudulent Statements or Claims.** The CONTRACTOR acknowledges and agrees that:

1. Civil Fraud: The Program Fraud Civil Remedies Act of 1986, as amended, 31 USC §§ 3801 et seq., and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its activities in connection with the Project. Accordingly, by executing this AGREEMENT, the CONTRACTOR certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project covered by this AGREEMENT. In addition to other penalties that may apply, the CONTRACTOR also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the CONTRACTOR to the extent the Federal Government deems appropriate.

2. Criminal Fraud: If the CONTRACTOR makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement in connection with this Project authorized under 49 USC Chapter 53 or any other federal law, the Federal Government reserves the right to impose on the CONTRACTOR the penalties of 49 USC §5323(l), 18 USC § 1001 or other applicable Federal law to the extent the Federal Government deems appropriate.

3. CONTRACTOR understands that a false claim is considered an adverse action that can result in a change in Project performance

**I. Trafficking in Persons.** To the extent applicable, the CONTRACTOR agrees to comply with, and assures the compliance of each subrecipient with, the requirements of the subsection 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended, 22 USC § 7104(g), and the provisions of this Subsection 3.g of FTA Master Agreement (21) dated October 1, 2014, which by this reference is incorporated herein as if fully set out in this AGREEMENT, and any amendments thereto, which is accessible at <http://www.fta.dot.gov/documents/21-Master.pdf> consistent with U.S. OMB guidance, "Trafficking in Persons: Grants and Cooperative Agreements," 2 CFR Part 175.

**Section 16**  
**Compliance with Laws and Regulations**

The CONTRACTOR agrees to abide by all applicable state and federal laws and regulations including but not limited to, those concerning employment, equal opportunity employment, nondiscrimination assurances, Project record keeping necessary to evidence compliance, with such federal and state laws and regulations, and retention of all such records. The CONTRACTOR will adhere to all of the nondiscrimination provisions in chapter 49.60 RCW.

**Section 17**  
**Civil Rights**

The CONTRACTOR shall comply with all applicable civil rights laws, regulations and directives, except to the extent that the Federal Government determines otherwise in writing. These include, but are not limited to, the following:

**A. Nondiscrimination in Federal Transit Programs.** The CONTRACTOR agrees to comply, and assures compliance by each third-party contractor, lessee or other participant at any tier, with the provisions of 49 USC § 5332, which prohibits discrimination on the basis of race, color, creed, national origin, sex, disability, sexual orientation, gender identify, status as a parent, or age, and prohibits discrimination in employment or business opportunity;

**B. Nondiscrimination-Title VI of the Civil Rights Act.** The CONTRACTOR agrees to comply, and assure compliance by each third-party contractor at any tier, with all provisions prohibiting discrimination on the basis of race, color, or national origin of Title VI of the Civil Rights Act of 1964, as amended, 42 USC §§ 2000d *et seq.*; and U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act", 49 CFR Part 21. **Section 34**  
**Termination**

A. **Termination for Convenience.** WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the federal and/or state financial assistance provided herein, at any time by written notice to the other PARTY in accordance with 49 CFR Part 18 § 18.44 or 49 CFR Part 19 § 19.61, whichever is applicable. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination, the portion to be terminated. However, if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made WSDOT may terminate the award in its entirety. WSDOT and/or the CONTRACTOR may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite federal and/or state funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of federal and/or state funds;
3. The CONTRACTOR is prevented from proceeding with the Project as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such

order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR;

5. The Federal Government and/or State Government determines that the purposes of the statute authorizing the Project would not be adequately served by the continuation of federal and/or state financial assistance for the Project; or

6. The Federal Government terminates this AGREEMENT due to a determination that the CONTRACTOR has: (a) willfully misused Federal assistance Funds by failing to make adequate progress on the Project, (b) failed to make reasonable and appropriate use of the Project real property, facilities, or equipment, or (c) failed to comply with the terms of this AGREEMENT. In the event of a termination under this subsection, and the Federal Government exercises its right to require WSDOT to refund any or all of the Federal Funds provided for the Project, the CONTRACTOR shall return all monies reimbursed to it by WSDOT, in the amount required by the Federal Government, within sixty (60) days of its receipt of a certified letter from WSDOT.

7. In the case of termination for convenience under subsections A.1 through A.5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT which the CONTRACTOR properly incurred prior to termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

**B. Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the federal financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;

2. Jeopardizes its ability to perform pursuant to the AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates.

3. Fails to make reasonable progress on the Project or other violation of this AGREEMENT that endangers substantial performance of the Project; or

4. Fails to perform in the manner called for in this AGREEMENT or fails to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.

C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.

#### **Section 35**

##### **Forbearance by WSDOT Not a Waiver**

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

#### **Section 36**

##### **Lack of Waiver**

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach or default. Such payment shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default.

**Section 37**  
**Limitation of Liability**

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to the execution of this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers, and subcontractors arising out of, in connection with or incident to the negligent acts omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the negligent acts or omissions of the WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent CONTRACTOR for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of the AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

**Section 38**  
**WSDOT Advice**

The CONTRACTOR bears complete responsibility for the administration and success of the Project as it is defined by this AGREEMENT and any amendments thereto. If the CONTRACTOR solicits advice of WSDOT on problems that may arise, the offering of WSDOT advice shall not shift the responsibility of the CONTRACTOR for the correct administration and success of the Project, and WSDOT shall not be held liable for offering advice to the CONTRACTOR.

**Section 39**  
**Venue and Process**

In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County. The PARTIES agree that the laws of the state of Washington shall apply.

**Section 40**  
**Subrogation**

A. **Prior to Subrogation.** WSDOT may require the CONTRACTOR to take such action as may be necessary or appropriate to preserve the CONTRACTOR's right to recover damages from any person or organization alleged to be legally responsible for injury to any equipment, property, or transportation program in which WSDOT has a financial interest.

B. **Subrogation.** WSDOT may require the CONTRACTOR to assign to it all right of recovery against any person or organization for loss, to the extent of WSDOT's loss. Upon assignment, the CONTRACTOR shall execute, deliver, and do whatever else necessary to secure WSDOT's rights. The CONTRACTOR shall do nothing after any loss to prejudice the rights of WSDOT.

C. **Duties of the CONTRACTOR.** If WSDOT has exercised its right of subrogation, the CONTRACTOR shall cooperate with WSDOT and, upon WSDOT's request, assist in the prosecution of suits and enforce any right against any person or organization who may be liable to WSDOT. The CONTRACTOR shall attend hearings and trials as requested by WSDOT, assist in securing and giving evidence as requested by WSDOT, and obtain the attendance of witnesses as requested by WSDOT.

**Section 41  
Counterparts**

This AGREEMENT may be simultaneously executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their supporting materials contained and/or mentioned herein, and does hereby accept WSDOT's grant and agrees to all of the terms and conditions thereof.

**Section 42  
Complete Agreement**

This document contains all covenants, stipulations, and provisions agreed upon by WSDOT. No agent or representative of WSDOT has authority to make, and WSDOT shall not be bound by or be liable for, any statement, representation, promise, or agreement not set forth herein or made by written amendment hereto.

**Section 43  
Severability**

If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or any part thereof, which in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.
