

It's Nice to Feel Appreciated!

Transit drivers don't have an easy job, they just make it look that way.

For hours on end, your driver manages to keep a schedule, give directions, announce stops, remember requests and more. All while safely maneuvering an extra-large vehicle through unpredictable traffic, tough weather conditions and some really tight spaces. Needless to say, they deserve our thanks!

MARCH 17 is

Give them a smile and let them know you appreciate all they do!
