

# YOU ARE INVITED!

Mason Transit Authority and members of the project team will be holding an “Open Public Meeting” regarding the BELFAIR PARK AND RIDE LOCATION and FINAL SELECTION PROCESS. A workgroup made up of Mason County representatives, Mason County Public Works, MTA Worker-Driver Program, Mason County Transit Advisory Board and the MTA/SCJ Alliance project team, met February 16, 2017 to review the appraisals of the final two properties in our selection process for the Park and Ride Lot in the Belfair area. The two final property selections were the result of an exhaustive review of all properties considered for the North Mason Park and Ride Facility using modeling and information gathered by our partners SCJ Alliance of Lacey, WA.

**We are looking for your input and comments. Your input is very important to us!**

**The meeting will be held in the Great Room at the “HUB Center for Seniors” located at 111 NE Old Belfair Hwy, Belfair, WA 98528.**

**Wednesday, March 1, 2017 @ 6:00 PM**

This is the opportunity for all of you, your neighbors and friends to ask questions, comment and provide valuable input. Come and meet the project team and get the latest information regarding site selection, timeline information, and project work plans. This is YOUR PARK AND RIDE PROJECT and your input will help make the project the best it can be!
