6. CONSENT AGENDA

Moved to approve Consent Agenda items A through C as follows:

- A. September 19, 2023 MTA regular Board meeting minutes.
- B. Payments of September 1 through September 30, 2023 financial obligations on checks#37866 through 37957, as presented for a total of \$658,358.49.
- C. Approve Resolution No. 2023-12 that authorizes the disposal of surplus vehicles.

Neatherlin/Onisko. Motion carried.

7. ACTION ITEMS –NEW BUSINESS

A. Request for Approval of Capital Budget Adjustment. Amy Asher, General Manager, shared with the Board how the cutaway bus market has been unpredictable over the past three years. She indicated that the cutaways that were not expected to arrive until 2024 will now be delivered to MTA in December 2023. Due to that accelerated delivery date, Ms. Asher is requesting a 2023 Capital Budget Adjustment in the approximate amount of \$681,000 to pay for the vehicles when they arrive in 2023. She indicated the vehicles will be paid for entirely by State Grant Funds from the Paratransit Special Needs Formula program. **Moved** that the Mason Transit Authority Board amend the 2023 Capital Budget by \$681,000 for the purchase of four cutaway buses arriving in 2023, rather than 2024. **Shutty/Trask. Motion carried.**

8. DISCUSSION ITEM–NEW BUSINESS

- **Budget; First View of 2024 Budget.** Ms. Asher, General Manager, brought forward the first view of the 2024 Budget and described that the budget at this viewing is a high overview as MTA's Finance Administrator went on leave and then resigned. The Operations Manager, Facilities and Fleet Maintenance Manager, and Technical Support Analyst are still in the process of pulling together cost estimates for 2024. In previous years, sales tax estimates were made on a very conservative basis, where the estimates for 2024 are made to be more in alignment with expectations. Staff is anticipating 4% sales tax revenue over 2023 as well as \$7/gal for fuel as there is uncertainty with current global events and the effect on the gas and oil industry. Staff also anticipates increasing from 42 to 45 FTEs as was set forth in MTA's Transit Development Plan. MTA is aiming to hire 42 FTEs for drivers as a beginning, as well as add 1 additional FTE for training. Staff would like to increase its training hours and refresher training for its

Drivers. Currently there is a 50% success rate in the Driver training classes. She has also included a 4% increase in non-represented staff to obtain and retain high quality talent at MTA. Additionally, there is provision as provided in the contracts of the represented staff, such as 4% for the Maintenance staff and 5% for the drivers. Also included is an increase in property insurance now that MTA has more properties to be covered. Other miscellaneous items are:

- **Johns Prairie Alarm Systems:** The current alarm system was installed in 1984.
- **Computer Server Room:** The air conditioner to keep the server room cool needs to be replaced.
- **Second HVAC System at JP:** The second HVAC system needs to be replaced to keep the tenant/leased areas of JP cool.
- **Fuel Tracking:** The tracking system needs to be upgraded.
- **Propane Training Kits:** These are needed as MTA begins receiving the propane fueled cutaways.
- **Automatic Gates:** The engines that move the gates need to be replaced and the pavement resealed.
- **T-CC Repairs:** There have been leaks onto the gym floor as well as some issues with the flooring.

9. STAFF AND INFORMATION REPORTS:

No review presented by Staff of the reports.

9. COMMENTS BY BOARD:

- Board member Sheridan asked about the process of the consent agenda which was reviewed.
- Commissioner Shutty suggested that Ms. Asher connect with Loretta Swanson regarding the County's Transit Improvement Plan.
