PUBLIC COMMENT – None.

RECOGNITION – Board member Neatherlin read aloud the following letter from the Hub Center for Seniors:

"To Whom It May Concern,

I am writing this letter in appreciation of Dan the Mason Transit Driver who went above and beyond during the COVID 19 pandemic. He showed up at The HUB Center for Seniors every single week full of enthusiasm and concern for the senior citizens and underserved population of the county.

We have been running COVID shuttle buses to the local vaccination clinic in partnership with Randy Neatherlin, MTA and Peninsula Community Health for over 10 weeks. Through this partnership over 3000 underserved people have been able to be vaccinated and restore hope during this crisis.

Many might say that he was only doing his job, but I believe Dan should be commended for showing up without fear for his own safety to safely transport our most venerable clients to the clinic. He worked tirelessly to help calm people fears, roll out the ramp for those who were disabled and unable to board the bus without assistance and provided a kind word to all who entered the transit shuttle bus.

I want to extend a heartfelt thank you top Dan from Mason transit who was instrumental in helping thousands of citizens' receive access to a COVID vaccination and for stopping the spread of this terrible virus.

On Behalf of the seniors and people with disabilities in Mason County

Thank You

Beth Gizzi
Executive Director
The HUB Center for Seniors"

Following reading the letter from the Hub Center for Seniors, Board member Neatherlin further described Dan Sharp's exceptional attention to all of those he transported to ensure each and every passenger was accounted for and got a ride home following receiving their vaccination.
