**INFORMATIONAL REPORT:**

Ms. Asher asked if the Board had any questions to the four different informational reports contained in the packet. There were no questions.

**GENERAL MANAGER REPORT:**

Ms. Asher discussed the status of the following subject matters:

- Motorhomes parked in park and rides and recent court rulings.
- Exit Conference with SAO – Clean audit. This is a big deal and she praised Ms. McNulty and her team for their good work.
- She has been riding buses and getting to know routes and drivers.
- She requested an update from Operations Manager, Mike Ringgenberg, on the following:
  - Operations has been interviewing candidates and four drivers will be hired. Vice Chair Tarzwell asked if the four drivers will be sufficient. Mr. Ringgenberg indicated that he anticipates that the training periods will finish and the drivers will be taking their CDL tests in December and January. Mr. Ringgenberg hopes that approximately January-February MTA can reinstate routes. There is another recruitment planned for November. In response to a request for the salary of new hires, Ms. McNulty indicated that upon hiring, drivers are currently paid \$19.68/hr.; following training, it is increased to \$20.99/hr.; and then at 18 months there is a step increase.
  - Mr. Ringgenberg also hopes to hire four more drivers in 2022 so that MTA would be able provide 1300 service hours per week which constitutes full service. Ridership numbers are slowing coming back.

- MTA has been filling in a gap by the use of its existing Route 5 at 2:40 PM that picks up high school students needing a ride to the T-CC due to the shortage of school bus drivers.
- Board member Neatherlin shared that MTA's services may be needed again for the COVID booster program to which Mr. Ringgenberg replied that MTA would be ready.

**COMMENTS BY BOARD:**

Board member Campbell shared that he received a note complimenting MTA's service of very personable bus drivers and that its buses are the cleanest experienced by the author of the email. He further went on to say that personable drivers and employees that take pride in their work has been the cornerstone of Mason Transit service since its beginning.

Board member Campbell asked about having a plaque for the new Belfair Park & Ride building stating that the park and ride was paid for by taxpayer dollars for the public's use by riders.
