8. **STAFF REPORTS:**

Ms. Asher briefly covered the following items:

- The Belfair P&R is inching toward completion. Next step is the indoor/outdoor punch list.
- Van grant program is wrapped up and Shelton School District has purchased the three remaining vans.
- Working with the City of Shelton for a bus pullout and bus stop shelter at Turning Pointe as a part of the Gateway project. Turning Pointe has expressed their appreciation for the new bus stop shelter and pullout.
- Ms. Asher met with Ted Jackson regarding the Radich building and its lease ending in June. She indicated to him that she is flexible with the timing of United Way's transition out as they look for new space. Ms. Asher will be setting up a meeting with the Maintenance and Operations Committee members to discuss the future of the Radich building.

*(Mr. Collins entered the Board meeting virtually at 4:15 PM)*

9. **COMMENTS BY BOARD:**

- Board Chair Tarzwell commented that the sales tax revenue continues to remain strong.
- Board member Neatherlin described that MTA had a temporary park and ride lot that was leased to MTA by the property owner while the process of getting the Belfair P&R was being built. This was necessary so that transit riders were not parking at Safeway and QFC. This method has served well. Board member Neatherlin has observed a similar situation developing in the Port of Allyn. Ms. Asher thanked him for the history and will work with staff to see how many of the vehicles are for MTA ridership trips.
- Vice Chair Campbell shared his excitement for the April meeting at the Belfair Park & Ride Building.
- Ms. Asher also indicated to the Board that with the successful installation of the new technology in the T-CC Conference room, the March meeting would be offered in hybrid format. However, she reminded Board members that the transit center is subject to federal regulations of the TSA as the T-CC is a transit hub and masks are still required through March 18. MTA is waiting to see if TSA extends or modifies the current mandates.
- Board member Neatherlin welcomed new Board member John Sheridan to the Board. He is pleased to have another Board member with the experience of the transportation of goods and services as Mr. Sheridan is an elected official of the Port of Allyn.
- Vice Chair Campbell voiced his pleasure that transportation is important to our mission and connection to the Port of Allyn.

**Moved** that the meeting be adjourned.
