This matter relates to a request received 90 minutes prior to the meeting by tenant Community Youth Services relating to lease space. **Moved** that the agenda for the May 17, 2022 Mason Transit Authority (MTA) regular board meeting be approved, as amended. **Sheridan/Campbell. Motion carried.**

**Sheridan/Campbell. Motion carried.**

6. **ACTION ITEMS – UNFINISHED BUSINESS** [None].

**ACTION ITEMS - NEW BUSINESS:**

A. **Electronic Signature Policy (POL-705).**

Amy Asher, General Manager, shared with the Board that the MTA Policy Committee, consisting of Board members Randy Neatherlin and John Campbell, had met with staff and Legal Counsel to discuss this policy. She shared that since the policy was previously approved by the Board, this version is a complete revision of that initial version. This new version provides for the current use of electronic signatures and is written in a broader sense to include future technologies. It also provides for an approval procedure to be followed by MTA employees and shall be governed by the Administrative Services Manager in consultation with the General Manager and Legal Counsel, as appropriate. **Moved** that the Mason Transit Authority Board approve and adopt Resolution No. 2022-06 that approves the revised Electronic Signature Policy (POL-705). Commissioner Neatherlin shared that the Policy Committee had made a motion at its meeting to bring this policy forward to the Board for approval and, because the motion was made by the Policy Committee, a second was not necessary. **The aye votes were unanimous. Motion carried.**

- B. **Recent OPMA Changes.** Robert Johnson, Legal Counsel to MTA, described the recent OPMA changes with the Board and staff. He indicated that some items were encouraged while others that were required. Mr. Johnson still recommends not video taping Board meetings. He stated that the public comment item must be placed on the agenda prior to any action items so that members of the public may present their comments to the Board prior to action being taken. Mr. Johnson also said that it was required that the minutes reflect the reason for going into Executive Session. The OPMA/PRA Emergency Proclamation will expire on June 1.

- C. **Community Youth Services (CYS).** Ms. Asher described the circumstances to the Board as to why CYS had previously given up Space G201 at the T-CC, namely being the impacts of the COVID-19 pandemic. New CYS leadership currently sees a need to serve the community and would like to be able to lease the space that was relinquished in 2021. In reviewing MTA's Leasing Policy (POL-800), Ms. Asher indicated the policy provides for a request for proposals process. Due to the unique circumstances that caused the tenant to relinquish the space, Ms. Asher is requesting an exception by the Board to the Leasing Policy (POL-800) so that Community Youth Services may enter into a new lease with MTA for Space G201. **Moved** that the Mason Transit Authority Board hereby approves an exception to MTA's Leasing Policy (POL-800) to allow the previous Lessee, Community Youth Services, to return to

Space G201 at the Transit-Community Center that it was previously leasing from Mason Transit Authority. **Sheridan/Campbell. Motion carried.**
