### Mason Transit Welcomes New General Manager

SHELTON, WA – This week Amy Asher starts as the new general manager of Mason Transit Authority.

Asher recently served as transit manager with RiverCities Transit in Longview, Washington. She also has been a transportation planner with the Cowlitz-Wahkiakum Council of Governments in Kelso, Washington.

“We are pleased to have Amy on board. She stood out in a national search for her ability to lead our agency through facility updates, community partnerships and potential service area expansions,” said MTA Board Chair Sharon Trask.

Asher says she will start by listening. “I am looking forward to getting to know the MTA team and the community,” she said. “I’m familiar with the challenges of rural transit, but each community has its own needs. I’m eager to help find solutions.”

[Mason Transit Authority](#) serves the Mason County community and connects with area transit systems including Grays Harbor Transit, Intercity Transit (Thurston County), Jefferson Transit, Kitsap Transit, Squaxin Island Transit, and Sound Transit, which in turn provides connections to the ferries, Amtrak and Greyhound service. **You can go anywhere from here!**
